World Neurology 2019

Our aim is to develop an understanding among the active researchers working on or studying about how to balance Obesity, our event will offer a platform where researchers can widen their network under a same roof while enjoying their time in a beautiful place, Osaka, Japan.

Learn the Latest Treatment Approaches

Program highlights include sessions focused on the areas important to you. Network with peers and make new connections outside of your specialty. World Neurology 2019 is the one conference where you'll find everything you need, for your research, and for your patients.

Why should YOU attend?

- ✦ Increase your knowledge via the scientific program
- ✦ Collect "take home" tools and information from workshop sessions
- ✦ Gain exposure by submitting an abstract of your work
- ✦ Increase your connections through networking opportunities
- ✦ Develop and join research collaborations
- ✦ Take advantage of a competitive price structure

ATTEND THIS EVENT IF you are a clinician looking to stay up to date on the latest neurology and neuroscience treatment trends and understand the clinical implications of current neuro research.

The World Neurology 2019 at overcoming the largest gathering of obesity medicine clinicians in the country. Learn about the latest advancements in evidence-based treatment from the foremost experts in neurology and neuroscience, both inside and outside of the field. The World Neurology 2019 offers you never-before-seen presentations, the most comprehensive selection of clinical neuro education available, and invigorating networking opportunities to help you further your career in neurology.

Don't wait to Register

The early registration period ends and prices increase after January 30, 2019. Save up to \$300 by registering before January 30, 2019.

Important Dates :

Abstract Submission Deadline: January 15, 2019 | Early Bird Registration: January 30, 2019

Networking

At Overcoming World Neurology 2019, attendees enjoy unique access to a welcoming community of clinicians. Spend time at the conference networking and getting to know your colleagues, whose passion for neurology and neuroscience will leave you feeling inspired, confident, and energized in your abilities to make a difference in the lives of patients affected by brain tumor.

Abstract Submission

Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.

Delegate participation

Participate in the program, where we pair experienced clinicians (mentors) with a small group of mentees to meet with throughout the conference. This exclusive benefit of delegates allows clinicians newer to neurology to ask questions, get advice, and build their network. Many delegates and speakers even stay in touch after the conference.

Lunch-arounds

We'll provide you the delicious lunch in the hotel so you can spend an enjoyable afternoon out getting to know your colleagues. (Dinner costs are the individual's responsibility).

Poster Session

Learn about the latest clinical research happening in the field of neurology and neuroscience by attending the poster session and visiting with the authors of each study. Or, submit your own abstract for consideration and share your research with the foremost experts in the field. The poster exhibition will be located on the exhibition area of the congress center. The area will be clearly signposted from the registration area.

Exhibit Hall

Learn about the cutting-edge technologies, products, and services available to you as an neurology clinician. Talk with exhibitors, try samples, and discover new products and services to use in your practice.

Breakfast with the Experts

During this attendee-favorite event, choose a table with a topic you're interested in and spend breakfast discussing that topic with an expert and a small group of other clinicians. This is a great opportunity to follow up on any questions you may have from the sessions you've already attended.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the World Neurology 2019, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Stay Connected Before, During and After the Event!

Scientific Program

Day 1 March 25, 2019
Opening Ceremony
Conference Souvenir Launch
New Perspective frontiers in the area of Neurology & Neuroscience
Keynote Forum (& Exhibitions Full day) (Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
Group Photo
Speaker Forum
Sessions Chair's Introduction
Session 1: Neuroscience
Session 2: Neurology & Therapeutics
Session 3: Vascular Dementia
Session 4: Alzheimers Disease & Dementia
Session 5: Parkinsons & Huntington Disease
Panel discussions and Reviews
Lunch Break
Young Research Forum (Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
B2B Meetings
Certificates Felicitation by the organizing Committee

Day 2 March 26, 2019
Introduction
Keynote Forum (& Exhibitions Full day) (Panel discussions and Reviews)
Coffee Break: Networking & Refreshments
Speaker Forum
Sessions Chair's Introduction
Session 6: Epilepsy & Treatment
Session 7: Stroke & Neurological Disorders
Session 8: Pediatric Neurology
Session 9: Brain Disorders & Therapeutics
Panel discussions and Reviews
Young Research Forum (Panel discussions and Reviews)
Lunch break
Neuro oncology & Brain Tumor
Neurosurgery
Neurochemistry
Neuropharmacology
Neuropsychiatry
Neuroscience Nursing
Poster Sessions Evaluation by the Committee
Refreshments
Award Ceremony
Felicitation of the best poster awards
